

## STBA Summer Days

Wednesday, August 18, 2021

Join us for all or part of the day. We will gather at 9:00 a.m., enjoy time together as a large group, move into small groups and provide time for individual sewing.

In the afternoon we welcome Carrie Zizza, from Massachusetts. Carrie's lecture is "A Deep Dive into Needles, Thread, Batting and Fabric. She will cover the minutiae, ins, outs, tips and tricks of choosing the right ingredients for your quilt sandwich. Everything from which way to unwind a spool of thread to why does this batting beard, to what exactly is a thread count and why is it important, and so much more. Ideas, strategies and hacks will be shared to help us improve our quilting. A hand-out will also be provided.
