

STBA Summer Days

Wednesday, July 7, 2021

Our theme for the day will be "Quilt as You Go". We will gather at 9:00 a.m., enjoy time together as a large group, watch a video in the morning about this topic, move into small groups and provide time for individual sewing.

In the afternoon we welcome Monica Poole, all the way from Sydney, Australia. As an author and pattern designer using this method, Monica is an expert in and passionate about using the quilt as you go strategy. She will share a variety of her unique tips and techniques as well as quilts that will demonstrate her excitement and motivation in using this approach to make her quilts.
